

### **Australian Playground Research Opportunity**

We are an emerging research team hoping to learn from feedback provided by parents, carers and professionals who supervise children with vision impairment in playgrounds. We plan to use this feedback to improve the playground experience by testing new ideas, creating new designs and influencing policy. We hope our work will ensure children with vision impairment can enjoy and thrive in playgrounds. Our project has human research ethics approval with the University of Sydney.

For more information contact: Sue Silveira [sue.silveira@nextsense.org.au](mailto:sue.silveira@nextsense.org.au)

If you are a **parent or carer** you can complete the playground experience survey here: [https://sydney.au1.qualtrics.com/jfe/form/SV\\_eevC9X8CNimjBZk](https://sydney.au1.qualtrics.com/jfe/form/SV_eevC9X8CNimjBZk)

Or by using the QR code:

If you are a **professional** (e.g. O&M specialist, specialist teacher, allied health, disability worker), you can complete the playground experience survey here:
